

Privacy Policy

We may collect information about your computer, including your IP address, operating system and browser type, for system administration and in order to create reports. This is statistical data about our users' browsing actions and patterns, and does not identify any individual.

The only cookies in use on our site is for **Google Analytics**. Google Analytics is a web analytics tool that helps us understand how you engage with our website. Google Analytics customers can view a variety of reports about how you interact with our website so that they can make it better and easier for you to use.

Cookies contain information that is transferred to your computer's hard drive. These cookies are used to store information, such as the time that the current visit occurred, whether you have been to the site before and what site referred you to our website.

Google Analytics collects information anonymously. It reports website trends without identifying individual visitors. You can [opt out of Google Analytics](#) without affecting how you visit our site.

Wording provided by [Cookie Clarity](#).
